THE COMPANY

Teamex Retail Ltd. This name was initially made public in 2013, and Teamex had just a few items at the time. Today, we are extremely glad to state that the firm that began in 2013 currently caters to over 180 prime-quality products to meet people's requirements.

We hold an ISO 9001-2015 certification. Our quality and useful products are not only medicines but life-enhancing and environment-oriented products, and we fully consider human values.

The marketing plan and management have successfully implemented a sustainable system that has yielded positive results. With very high values in mind, we have only one goal is to reach out to enthusiastic and efficient individuals and uplift them economically and socially. That's why our motto is "Let's win together".

Ahmedabad is fortunate to have our head office there, where the eager and enthusiastic youth in the Teamex family are always ready for the convenience and comfort of the customers. The main office also has a conference hall, administration, and other necessary facilities, as well as a large warehouse where we make every effort to satisfy the needs of the customers.
