Amla Tablet

M.R.P. (₹) : 280.00 (incl. of all taxes)

U.S.P. (₹) : 4.66 per Tab (incl. of all taxes)

Net Qty. : 60 Tablets

Amla is a well-known herb used in Ayurvedic formulations. Naturally rich in Vitamin C, these tablets are designed to support overall wellness. They are known for their antioxidant and anti-inflammatory properties, helping support the body's natural defense system. Amla may help maintain digestive balance, support healthy metabolism, and contribute to balanced blood sugar levels. Regular use may support hair health, assist in managing skin concerns, and help maintain overall vitality. It may also support natural detoxification processes, promote liver health, and contribute to eye health and weight management.

Arjun Ghan Tablet

M.R.P. (₹) : 299.00 (incl. of all taxes)

U.S.P. (₹) : 4.98 per Tab (incl. of all taxes)

Net Qty. : 60 Tablets

Arjun is widely used in Ayurveda and valued for its therapeutic properties. It is traditionally known for supporting heart health and cardiovascular function. These tablets contain compounds with antioxidant and antimicrobial properties. Arjun is commonly used as a cardiac support herb and may help in maintaining healthy heart function. It may assist in supporting cholesterol balance, triglyceride levels, and circulation. Additionally, it may contribute to maintaining normal blood pressure levels. Arjun Ghan Tablets are also traditionally used to support respiratory wellness, including concerns like cough, asthma, and related discomfort.

Arshoghni Vati Tablet

M.R.P. (₹) : 550.00 (incl. of all taxes)

U.S.P. (₹) : 9.16 per Tab (incl. of all taxes)

Net Qty. : 60 Tablets

Arshoghni Vati Tablets are a carefully formulated Ayurvedic preparation traditionally used to support anorectal wellness, healthy bowel movements and digestive comfort. The formulation includes herbs such as Neem Seed, Bakayan, Khun Kharaba, Trikantmani, and Rasvanti, which help support healthy digestion, reduce discomfort, relieve constipation, and promote easier bowel movement. It may help in reducing swelling, supporting the natural healing of the affected area, and managing associated symptoms such as discomfort and bleeding. Regular use may assist in symptom management and support overall anorectal health.

Ashwagandha Tablet

M.R.P. (₹) : 299.00 (incl. of all taxes)

U.S.P. (₹) : 4.98 per Tab (incl. of all taxes)

Net Qty. : 60 Tablets

Ashwagandha is a highly valued herb in Ayurveda, often referred to as the "King of Herbs". Tablets made from Ashwagandha are commonly used to support general weakness and nutritional balance. It is known to support cellular energy production and overall vitality. Ashwagandha may help manage stress levels and support physical comfort. It may also support joint health and mobility. Additionally, it may contribute to heart health by supporting healthy blood pressure, cholesterol levels, and overall cardiovascular function. Ashwagandha is known for its antioxidant properties and may help support immune function. It may also support cognitive function and memory.

Chandraprabha Vati Tablet

M.R.P. (₹) : 599.00 (Incl. of all taxes)
U.S.P. (₹) : 9.98 per Tab (Incl. of all taxes)
Net Qty. : 60 Tablets

Chandraprabha Vati is an Ayurvedic formulation designed to support kidney health and help maintain normal kidney function. It contains traditional herbs such as Gokhru, Punarnava, Ganthoda, Harad, Baheda, Amla, Vavding, Sajikhar, Sindhav, and Sanchal, which support natural cleansing processes and overall urinary tract health. It may help maintain a healthy urinary system, support normal urine flow, and assist in flushing out unwanted substances from the body. The formulation may also support the body's natural filtration processes and help manage occasional swelling. Suitable for regular use, it aligns with the Ayurvedic approach to maintaining kidney wellness and overall balance.

Guduchi Ghan Tablet

M.R.P. (₹) : 250.00 (Incl. of all taxes)
U.S.P. (₹) : 4.16 per Tab (Incl. of all taxes)
Net Qty. : 60 Tablets

Guduchi Ghan Tablets are made from the pure extract of Giloy, a widely used Ayurvedic herb. It is traditionally used to support overall health in conditions such as fever, indigestion, metabolic imbalance, and skin concerns. With antioxidant properties, it helps support the body's natural defense system and overall well-being.

Kaishor Guggulu Tablet

M.R.P. (₹) : 299.00 (Incl. of all taxes)
U.S.P. (₹) : 4.98 per Tab (Incl. of all taxes)
Net Qty. : 60 Tablets

Kaishor Guggulu is a well-known Ayurvedic formulation, commonly used as a supportive herbal supplement for overall wellness. It is traditionally associated with supporting skin health, joint comfort, and natural blood purification. The formulation includes ingredients like Triphala, Trikatu, and Vavding, which support digestion and metabolic balance. It may help in managing weight, supporting healthy cholesterol and blood sugar levels, and maintaining uric acid balance. It may also support joint health and mobility. Additionally, it may help reduce occasional swelling, support digestive comfort, and assist in maintaining urinary comfort. It also supports overall immune function.

Kamdudha Ras Tablet

M.R.P. (₹) : 350.00 (Incl. of all taxes)
U.S.P. (₹) : 5.83 per Tab (Incl. of all taxes)
Net Qty. : 60 Tablets

Kamdudha Ras is an Ayurvedic formulation traditionally used to support digestive balance and overall comfort. It is traditionally used to support relief from acidity and digestive discomfort. It may help in managing occasional symptoms such as heartburn, nausea, and general weakness. The formulation contains herbs and mineral components that help support gastric balance and digestive stability. Kamdudha Ras is traditionally used as part of Ayurvedic wellness practices for maintaining overall digestive health.

Kanchnar Guggulu Tablet

M.R.P. (₹) : 550.00 (Incl. of all taxes)
U.S.P. (₹) : 9.16 per Tab (Incl. of all taxes)
Net Qty. : 60 Tablets

Kanchnar Guggulu Tablets are an Ayurvedic formulation traditionally used to support thyroid health and maintain hormonal balance. The formulation contains herbs such as Kanchanar Bark, Triphala, Trikatu, Varun Bark, Cardamom, Cinnamon, Tamal Patra, and purified Guggulu, which support metabolic balance and overall vitality. It is traditionally used to support normal thyroid function, energy levels, and metabolic activity. The formulation may also support overall well-being associated with hormonal balance. Regular use supports overall thyroid wellness and is suitable for daily use as part of Ayurvedic practices.

Livepat Tablet

M.R.P. (₹) : 599.00 (Incl. of all taxes)
U.S.P. (₹) : 9.98 per Tab (Incl. of all taxes)
Net Qty. : 60 Tablets

Net Qty. : 60 gm

Diaper Rash Cream is a soothing formulation designed to support baby skin care and comfort. Enriched with natural ingredients such as Coconut Oil, Almond Oil, Aloe Vera, and Shea Butter, it helps maintain skin moisture and supports skin protection as part of daily care. The gentle formulation is suitable for delicate baby skin and supports overall skin comfort. Free from parabens, it is suitable for regular use.

Agri Bio Stimulant

Vruddhivita

Derived from Ayurvedic herbal extracts, Vruddhivita is a plant-support formulation designed to promote crop vitality and overall plant development. Its natural components support seed treatment for uniform germination and early growth. The formulation supports plant metabolism and nutrient uptake as part of regular agricultural practices. It also supports plant resilience under varying environmental conditions and contributes to healthy leaf development and efficient photosynthesis.

M.R.P. (₹) : 475.00 (Incl. of all taxes)
U.S.P. (₹) : 1.90 per ml (Incl. of all taxes)
Net Qty. : 250 ml

M.R.P. (₹) : 900.00 (Incl. of all taxes)
U.S.P. (₹) : 1.80 per ml (Incl. of all taxes)
Net Qty. : 500 ml

Bhumivita

Healthy soil is the foundation of robust plant growth. Bhumivita is a natural formulation containing essential nutrients that support soil quality and crop development. It supports crop yield and helps improve soil condition as part of regular agricultural practices. The formulation enhances soil fertility and supports better water retention. It also helps improve organic carbon levels and supports nutrient availability for healthier plant growth.

M.R.P. (₹) : 475.00 (Incl. of all taxes)
U.S.P. (₹) : 1.90 per ml (Incl. of all taxes)
Net Qty. : 250 ml

M.R.P. (₹) : 900.00 (Incl. of all taxes)
U.S.P. (₹) : 1.80 per ml (Incl. of all taxes)
Net Qty. : 500 ml

Neem Oil

Neem Oil is a 100% organic oil produced using a cold-pressed method without the use of chemicals. It is widely used in agriculture and gardening practices as part of plant care routines. The formulation supports overall plant protection and maintenance as part of regular crop management. Carefully sourced neem seeds are used to ensure quality and consistency.

M.R.P. (₹) : 475.00 (Incl. of all taxes)
U.S.P. (₹) : 1.90 per ml (Incl. of all taxes)
Net Qty. : 250 ml

M.R.P. (₹) : 925.00 (Incl. of all taxes)
U.S.P. (₹) : 1.85 per ml (Incl. of all taxes)
Net Qty. : 500 ml

Stick & Spread

Stick & Spread is a formulation designed to enhance the spreading, wetting, and adhesion of agrochemicals on plant surfaces. It helps improve coverage by reducing surface tension, allowing better distribution across leaves. The formulation supports uniform application and helps improve the effectiveness of spray solutions as part of regular crop management practices.

M.R.P. (₹) : 199.00 (Incl. of all taxes)
U.S.P. (₹) : 1.99 per ml (Incl. of all taxes)
Net Qty. : 100 ml

M.R.P. (₹) : 799.00 (Incl. of all taxes)
U.S.P. (₹) : 1.59 per ml (Incl. of all taxes)
Net Qty. : 500 ml

Dhartivita

M.R.P. (₹) : 999.00 (Incl. of all taxes)
U.S.P. (₹) : 0.99 per g (Incl. of all taxes)
Net Qty. : 1 kg

Dhartivita is an advanced organic formulation suitable for all crop types. It naturally enhances soil fertility and fulfills essential nutritional requirements to support optimal crop productivity. It is specifically designed to address common agricultural challenges caused by declining soil health—such as stunted plant growth, low yields, premature flower or fruit drop, and poor fruit development. Regular use provides comprehensive support for robust plant development and high-quality harvests.

Milk'O'Plus

M.R.P. (₹) : 585.00 (Incl. of all taxes)
U.S.P. (₹) : 1.17 per gm (Incl. of all taxes)
Net Qty. : 500 gm

Teamex Milk O Plus is a nutritional supplement designed to support milk production and overall well-being in dairy animals such as cows and buffaloes. Formulated with essential vitamins and minerals, it supports digestion and nutrient utilization as part of a balanced feeding routine. Regular use supports physical development, vitality, and overall performance in livestock.

Home Care

Dishwashing Liquid

M.R.P. (₹) : 199.00 (Incl. of all taxes)
U.S.P. (₹) : 0.39 per ml (Incl. of all taxes)
Net Qty. : 500 ml

Dishwashing Liquid is a gentle formulation designed to effectively clean utensils by removing grease and food residues. Enriched with naturally inspired ingredients, it supports a clean and fresh finish while being easy on the hands. The formulation helps maintain cleanliness and provides a pleasant washing experience as part of daily kitchen care.

Liquid Detergent

M.R.P. (₹) : 499.00 (Incl. of all taxes)
Net Qty. : 1 Ltr

Teamex Liquid Detergent is specially formulated for home laundry to support effective cleaning and fabric care. It helps remove stains, maintain fabric color, and leave clothes feeling soft and fresh. The formulation supports odor control and provides a pleasant fragrance after every wash. Suitable for both front-load and top-load machines as well as bucket washing, it offers a gentle washing experience suitable for regular use.

Floor Cleaner

M.R.P. (₹) : 199.00 (Incl. of all taxes)
U.S.P. (₹) : 0.99 per ml (Incl. of all taxes)
Net Qty. : 200 ml

Floor Cleaner is a concentrated formulation designed to support effective floor cleaning and maintenance. It helps remove dirt, grease, and stains while leaving surfaces clean and fresh. Suitable for use with water, the formulation supports regular floor care and contributes to a well-maintained and hygienic environment.

Color Fixer

M.R.P. (₹) : 250.00 (Incl. of all taxes)
U.S.P. (₹) : 2.50 per ml (Incl. of all taxes)
Net Qty. : 100 ml

Color Fixer is designed to support fabric care by helping maintain color intensity and reduce color fading during washing. It is easy to use and supports maintaining the look and feel of colored garments. The formulation helps minimize color bleeding and supports a fresh, well-maintained fabric appearance. Suitable for use with a variety of fabrics and colors.

Toilet Cleaner

M.R.P. (₹) : 199.00 (Incl. of all taxes)
