

BABY CARE

From little steps to larger steps

DAILY TEAR FREE SHAMPOO

BraveBaby's Daily Shampoo is Formulated with a Variety of Natural Ingredients like Milk Protein, Aloe Vera, Olive Oil, Wheat Germ Oil, and More.

The pH of baby's scalp, which is crucial to the health of the microbiota, is preserved and nourished.

WHY CHOOSE DAILY TEAR FREE SHAMPOO

Ingredients

- 1 MILK PROTEIN** 
Milk protein makes even bathing your infant easier on their delicate skin, tenderly washes their dry hair, and repairs damage caused by the effects of time
- 2 OLIVE OIL** 
serves to fortify developing hair follicles, which in turn encourages healthy hair development
- 3 Cocamidopropyl Betaine, Lauryl Glucoside** 
Cleansing agents that are mild and gentle
- 4 Citric Acid** 
Ensures the product has a balanced pH for baby's skin
- 5 Wheat Germ oil** 
Protect the skin from becoming dry and lifeless; rich in beneficial vitamins and minerals
- 6 ALOE VERA** 
Vitamin E rich, it helps with swelling and anxiety, speeds wound healing, and prevents infection
- 7 PURIFIED WATER** 
Useful in de-cluttering
- 8 Glycol Distearate** 
Bring out the brilliant white of the wash
- 9 Glycerine** 
Prebiotic Moisturizer
- 10 Sodium Benzoate** 
Prevents the growth of germs

Baby's scalp and hair are gently cleansed and conditioned for softer, smoother, and shinier hair

Never anything except giggles, there will be no more tears

Acid-base equilibrium and hypoallergenic

It's gentle on the hair and the eyes, too

How to use

USE BRAVEBABY DAILY SHAMPOO TO TURN BATH TIME INTO PLAYTIME

- ✓ **Soothes and Nourishes** a Newborn's Scalp
- ✓ **Appropriate for Infants**
- ✓ **Mild** in scent and Tear-Free.
- ✓ **Moderate cleansers** that **Won't Irritate** the scalp or hair but still work well.
- ✓ **Extremely useful** for keeping baby skin from being dry.
- ✓ **Nutrients Include** milk protein, aloe vera, olive oil, and wheat germ oil.

Step -1

DAILY MOISTURISING LOTION

Milk Protein, Aloe Vera, Almond Oil, Coconut Oil, Wheat Germ Oil, and More can all be found in BraveBaby's Daily Moisturizing Lotion.

Baby's skin will stay soft and supple if you use this on it.

WHY CHOOSE DAILY MOISTURISING LOTION

Ingredients

- 1 MILK PROTEIN** 
Improves the moisture of rinse-off formulas for both skin and hair. Good for the most delicate skin types
- 2 ALMOND** 
Well-known for its ability to replenish the skin's natural moisture
- 3 COCONUT** 
You may use it to clean, but it's also a great natural moisturizer. It protects and fortifies newborn skin in a way that's analogous to breast milk
- 4 ALOE VERA** 
The vitamin E in it has a soothing effect, and it speeds the recovery of cuts and scrapes by destroying bacteria
- 5 WHEAT GERM** 
Heat rash, eczema, and psoriasis are all skin disorders that can be helped, as can the accompanying dryness and irritation

To Calm the Skin

Benefits Skin by Nourishing and Moisturizing

Safeguards Against Dangerous Aggressors

Improve the texture and firmness of the skin

How to use

Step -1

Massage on to your baby's skin as often as needed especially after bath

Step -2

Always test any skin product on your baby's skin by doing a patch test on the forearm for any allergies before using it
